

Penguin Pals Ornaments

Difficulty: Easy

Age: 6 and up

What you'll need:

- 2" wood circle
- 8" piece of yarn
- Acrylic paints: white, black, orange
- Scraps of felt
- Scissors
- White craft glue
- Toothpick

How to make it:

1. Paint circle white and let dry.
2. Paint a border around the outside of the circle with black paint. It will look like a letter "C" if turned sideways.

3. Use the handle end of a paintbrush dipped in black paint to dot on two eyes.
4. Use a toothpick dipped in orange paint to draw on a triangle for a beak. Let dry completely.

5. Cut a bowtie (or a hair bow for a girl penguin) out of some scrap felt and glue to the penguin.
6. Loop yarn by folding in half and gluing both ends to the back of the wood circle.

Tips:

- To protect this project for years to come, spray the painted circle with acrylic sealer spray before adding the felt bow.
- Instead of felt, you can use a piece of festive ribbon tied in a bow.
- Wood circles are available at craft supply stores.
